

GETAWAY

Escape to Fiji's Laucala Island—an exclusive, private-isle resort—where you'll find 25 villas each with its own pool and view overlooking Fiji's fine-sand beaches and turquoise lagoons. The island's 3,000 acres feature a hilltop spa, five elegant dining spots, an equestrian center and an 18-hole championship golf course. You'll never want to leave. Visit laucala.com.

Must-See

Makeup artist Jennifer Aspinall and florist Alison Franchi can bring something truly unexpected to your next event with **The Human Vase**, a live model bedecked in body paint, hundreds of glass stones and a dazzling array of flowers. Now that's what we call a conversation piece. Visit lepetitgardenia.com.

CAN'T RESIST

Toms Shoes recently reached new heights—literally—with the addition of wedge sandals to their classically casual line. We always loved the flats (especially because for each pair you buy, a pair goes to a child in need), but now that styles like this Ash Canvas espadrille are an option, we're ready to make even more room in our closets.
